All information provided in the survey and while on the panel will be kept confidential and used only for our research purposes and to improve our products and customer service. Responses provided to surveys will be grouped together and information you provide will be used anonymously for statistical purposes only. Liberty Mutual may retain the information indefinitely. The information you provide will not affect your policy rates, underwriting, termination or a claim. Nor will Liberty Mutual use this information to solicit you for additional products, services or promotions. We use Vision Critical, a third-party service provider to host this survey. Vision Critical is required to keep your information confidential, and may not use your information except on our behalf in connection with the survey. Neither we nor Vision Critical will share your information with any third-party except in the unlikely event that the law requires it (for example, if we are compelled by a subpoena).

You may be asked if you want to participate in a group discussion. If you do, you will be asked to select a user name. Other participants may see your user name, so to ensure your anonymity please do not use both your first and last name.
